Thanks Rich, Humane and Heather for all your work today. Obviously the AM is not going to get to HQ today as I want to read it close before it goes to Shawn and then to HQ. I will look at it tonite.  
I have told OEM not to wait for it today.  
Sorry but I have been in a number of briefings again this afternoon. Dennis.

Den,  
Here's the latest version.  
I am still working on the Data memo. not sure who should sign it...it talks about directing staff, which I clearly can't sign.  
The AM I believe is clean, Ex. 5 - Deliberative I left the comment there as a place marker.

## Ex. 5 - Attorney Client
